Children who will be five years of age before September 2, 2023 are about to embark on a wonderful, exciting adventure. At this time, we are conducting a survey of our school community to locate our incoming kindergarten students.

If you have a child eligible for kindergarten, would you complete the following information and **return it to your elementary school as soon as possible.**

Child's Legal Name (first, middle, last) **as it appears on the birth certificate**

Father's Full Name

Mother's Full Name

Street Address

City

Zip Code

Parent/Guardian **Email Address**

Cell and/or Home Number

Child's Birth Date

Male

Female

Official registration will begin at a later time. Weber School District **requires** a student registration form, proof of residency, such as utility bills (2), a birth certificate (bearing a seal). We **request** a dental and physical examination. The State requires proof of immunization for all children entering kindergarten.

We look forward to meeting you and our in-coming kindergarten students soon. If you know of a child who might be missed in this survey, please ask the family to notify the school.
