

HOPE WEEK

LIGHT UP THE NIGHT!

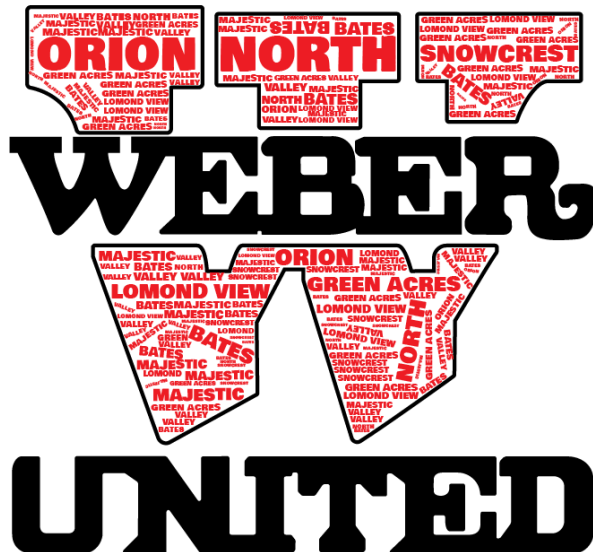

Hope Week Kick Off!

Join the Weber Cone to kick off Hope Week by celebrating “The Light of Hope.”

On Monday, September 21st, we will be shining spotlights off of Ben Lomond Peak to show our students and our community that there is always light in darkness, and always hope in pain and uncertainty.

Please join us in facilitating a community black out at 8:30 pm. Turn out as many lights as possible, helping us to see the spotlights on the mountain at 8:45 pm.

The light shown will represent the unity we feel as a Weber Cone, and how hope can be seen by all, even during difficult times. When you see the spotlights turn on, please turn your porch lights back on, representing the light and hope we each spread.

THE LIGHT OF HOPE

MONDAY

SEPTEMBER 21st, 2020

COMMUNITY BLACKOUT
8:30 PM

SPOT LIGHTS ON BEN
LOMOND PEAK: 8:45 PM
