
Teacher and Student Success Plan

2021-2022

School Information

Name of Administrator: Justin Willie

Name of School: Green Acres

Goal # 1

Each goal must promote improved student performance and student academic achievement

Goal #1:

We will improve instruction and systemic interventions so that at least 70% of our students achieve typical or above typical growth as measured from BOY to EOY Acadience testing.

Goal #1 Action Steps

- TSSA funds will be spent to employ teacher aides to help address student skill deficits and provide extension activities. (\$20,000)
- Professional development will be scheduled for the purpose of training teachers on effective Tier 1 instruction, intervention strategies and/or extensions. (\$1,500)
- Stipends will be given to teachers for extra PD and time to collaborate. (\$2,000)
- Technology will be purchased as needed, to replace aging technology and aid in the delivery of instruction. (\$5,000)
- ESGI support for reading/math intervention software licenses will be purchased for kindergarten and 1st grade. (\$900)
- Subs will be provided to cover classes for professional learning and child study. (\$3,000)

Goal #1 Expenditure Category

Keep in mind that expenditures may not supplant funding for existing public education programs or be used for capital expenditures. (Please right click on the checkbox(es) below and select the checkmark icon for each applicable category.)

- School personnel stipends
- Professional learning
- Additional school employees
- Social and emotional learning support
- College and career readiness skills
- Student leadership development

Technology

- Before – or after – school programs
- Community support programs or partnerships
- Early childhood education
- Class size reduction strategies
- Other

Goal # 2 Measures of Success:

Include a description of how progress toward the goals will be measured.

Teachers, PLCs and the school leadership will monitor grade-level SGA data to ensure 60% of students attain proficiency from BOY to EOY.

Do you have a Goal #3

(Please right click on the checkbox(es) below and select the checkmark icon for each applicable stakeholder group.)

- Yes
- No

**If no then skip to Proposed Budget*

Goal #3

Each goal must promote improved student performance and student academic achievement.

Goal #3

We will provide emotional and mental health supports for students who are in need of these services.

Goal #3 Action Step

A mental health therapist will provide support for our students with emotional and mental health needs. (\$4,000)

Panorama data and PLC discussions will help identify students who need additional emotional and mental health support from either the counselor or the mental health specialist. (\$500)

Goal #3 Expenditure Areas

Keep in mind that expenditures may not supplant funding for existing public education programs or be used for capital expenditures. *(Please right click on the checkbox(es) below and select the checkmark icon for each applicable category.)*

- School personnel stipends
- Professional learning
- Additional school employees
- Social and emotional learning support
- College and career readiness skills
- Student leadership development
- Technology
- Before – or after – school programs
- Community support programs or partnerships
- Early childhood education
- Class size reduction strategies
- Other

Fill in here for other

Goal #3 Measures of Success

Include a description of how progress toward the goals will be measured.

80% of students identified through Panorama or PLC discussions will complete a support program with either the mental health therapist or the counselor.

Proposed Budget
