

# *Community Council Minutes*

## *December 7, 2022*

### Welcome and Introductions:

- Welcome made by Sheena Miles
- In attendance, Sheena, Mr. Willie, Mrs. Walker, Mrs. Gunderson, Valerie Donley, Mr. Harris, Alan Rhees and Monica Widdison from Digital Teaching and Learning.
- 

### Digital Citizenship Presentation: Alan Rhees-Digital Teaching and Learning Specialist

- This presentation fulfills CIPA requirements.
- District uses a three pronged approach: monitoring, filtering and teaching.
- Web filtering is done by the state and the district and happens on any device that is using a WSD user profile.
- District is in compliance with CIPA regulations.
- District works on filtering what comes in/monitoring what goes out using BARK software
- Working on creation instead of consumerism when it comes to students using technology.

### Reading Data and Goal Review: Mr. Harris

- State Goals are for K-3rd, but we apply to all grades
- Goals are centered on student growth. All students can make growth
- The current year's Beginning of Year (BOY) scores in Acadience are slightly higher than the district average, especially in Kindergarten. 2nd grade is a little lower.

### Review Budget:

- We are on track with the budget and salary use
- We should be able to make technology purchases
