Bike rodeo to teach students bike safety....

2. Old Business

- Review developed 2017-2018 Trustland plan-
With additional funding, get more reading support in classes. Talked about our middle of the year results and how the reading groups have made a significant impact. Plan for next year- add in for training more teachers at a for professional learning opportunities, add in for repairs.
Everyone was asked to read through the plan and contact Lisa with any changes. We'll be ready to vote and submit by our deadline.

3. New Business

- Demo of Dot Dash Robots for 1st graders
Miss Given demonstrated the newly purchased Dot-Dash robots approved at last meeting. We discussed how this extends upon the programming 1st graders do in their Animated Storytelling Project Lead the Way module and the hour of code campaign they participate in during December.
