REMINDERS

- We are excited to welcome our new principal, Mr. Justin Willie.

Welcome Principal Willie!

Absent/ Excused

When keeping your child home from school, please call the office to excuse them. This helps us to ensure the safety of our students and aids our teachers in supporting them.

Pick up and Drop off

Children must always be picked up or dropped off at the sidewalk in front of the school, or walked by an adult across the parking lot. Children should NEVER cross the parking lot alone! Even if you may be watching for your child to cross, other drivers may not see them.

Please remember that Pick Up and Drop Off is never allowed in the Bus Loop on the West side of the school!

- T-Shirts are still for sale in the office, while supplies last!

Chatting with Principal Willie

The beginning of each school year is always exciting! It is exciting for teachers who have spent much of their summer in professional development, working in their classrooms and fine-tuning some of their skills. For parents it is exciting to see their students grow and approach the next challenge including meeting a new teacher, learning a new curriculum and making new friends. During the first week of school your students have met and exceeded all challenges.

As a school, we would like to encourage the implementation of a few essential practices that will help your student be successful. First, read every day. Not just as homework, but as a daily activity that will increase success in language arts as well as all other academic areas. Secondly, encourage your students to face challenges. Too often children will avoid situations that are difficult and uncomfortable. Challenges should be met head on, combined with the idea that it is ok to fail because it is through our failures that we learn the most. Last, and I cannot put enough emphasis on this, make sure your students are at school every day. Attendance is a huge indicator of student success over time.

We love your children and want the best for them, just as you do. These are three simple ways to promote success. Success, in turn, limits the anxious moments.
