Dear Families:

During this holiday break, all Green Acres Students have been challenged to keep up on their reading and math. Those students who meet their reading goals for the break will be invited to a school wide celebration. To qualify for the celebration, the students need to meet the reading goal as set by their teachers. **This sheet** will need to be filled out, signed by a parent/caregiver, and **returned to school by Jan 4-5**, in order to participate in the celebration. Thanks!

Student's Name _____ Teacher _____

Reading Goal _____ minutes a day or _____ total minutes.

Total minutes read during the break _____.
