School-wide rules

Rules and Procedure throughout the school help us succeed in every setting.

- 1. Respect- yourself, others and property**
- 2. Responsible- for your actions, your work, your community**
- 3. Effort- Do your best**

Green Acres School Policies

Accidents and illness: If a student is injured on the school grounds or on the bus, and the injury is other than what appears to be minor to the school staff, the parents will be notified and asked to pick up the child for their own observation or examination by the family physician. If a parent cannot be reached, we will attempt to contact the emergency numbers provided on the emergency notification form. Please call and update this form if changes occur throughout the year. If a student becomes ill during school, they will be sent to the sick room and the parent will be contacted by the school.

Attendance: (Utah's Compulsory Attendance Law Mandates Attendance.) A successful school experience is the responsibility of the child, the parents, and the school. There is a correlation between your child's progress, both academic and social, and his or her participation at school. Consistent, on time attendance is important. If a student is ill or an emergency arises, parents should call the school to excuse the absence.

Bicycles, Skateboards, Scooters, Rollerblades or Roller Shoes: Bicycles are not ridden on campus. They should be parked and locked-up in the designated area until the end of school. Skateboards, scooters, rollerblades or roller shoes are not allowed at school. The school will not be responsible for bicycles, locks or accessories.

Books and Supplies: Students are responsible for the care of textbooks, library books, etc. assigned to them or checked out and must pay for loss or damage.

Cheating: Cheating will not be tolerated. Students that choose to cheat, will get a zero on the assignment or test.

Check in: Students should be in their classes by 8:30. Students arriving after 8:30 will be required to check in at the office.

Check out: For your child's safety, students will not be released to anyone except custodial parents, guardians, or persons listed as an emergency contact unless prior arrangements have been made with the office.

Students should never leave campus during school hours without checking out at the office. Teachers are instructed not to release students to parents from their classes unless notified by the office. If students must leave school early, parents need to check them out through the office. Learning time is valuable, so please arrange for your children to attend the entire school day unless ill.

Dress Code: Please label all school clothing with student's names. Students in the Weber High Attendance area are expected to dress for success at school. Distracting dress or grooming is unacceptable. Clothing worn at school must be modest and not distracting. No clothing depicting violence, alcohol, tobacco or other drugs will be allowed. Clothing must be size appropriate: No extremely tight revealing clothing. No excessively baggy clothing. No exposed underwear. Pajamas: No pajama bottoms, tops or other sleepwear (exception: pajama day activity) Sleeves must cover the ball of the shoulder and arm openings must be snug fitting. No low backs, deep scooped necklines, exposed cleavage, or see-through or semi-transparent materials. Midriff or bare back must not be exposed when involved in normal school activities such as walking, sitting, bending over a desk, raising hand, etc. Shorts, skirts, and dresses: Shorts, skirts, and dresses must extend to mid-thigh (finger length when arm is fully extended). Accessories: NO HEADGEAR (ie. hats, bandanas, sweatbands) potentially dangerous apparel items such as spiked clothing, large or long chains-8 inches or longer, or unsafe accessories will not be allowed. Clothing, accessories, adornment or hairstyles which pose a significant distraction to learning or safety will be changed.

Emergency Information: Be sure the school has current phone numbers where you or a specified adult can be reached. Contact the school immediately if any of the information needs to be changed or updated. In the event of severe weather conditions an announcement will be made over the following radio stations: KLO 1430, KSL 1160.

To join our parent notification list:

To receive texts: Text join @111parent to 385-313-TEXT (8398)

To receive emails: Email join @111parent (on first line in email body) to MyConnect@wsd.net

Field Trips: Your child will bring home notes notifying you of the destination and date of any field trips. All students in school on the day of the field trip will attend.

Gum, Candy, Classroom treats: Gum and candy are not allowed at school unless teacher permission is given for a specific activity. As per policy of the Weber Morgan Health Department, homemade foods cannot be brought to school and shared. Please watch for allergy notices near classroom doors.

Insurance: Accident insurance is available for the school year. Applications are available in the office.

Medications: No medication may be brought to school unless the proper forms have been completed, signed by the physician and filed with the secretary. (This includes over the counter pain relievers.)

Money: When it is necessary to send money to school, please put it in an envelope, seal it and write the following information on the outside; child's name, homeroom teacher's name, grade level, amount, and what it is for. Lunch accounts can be paid in the cafeteria or online at myschoolfees.com.

Parent Concerns: When a parent feels he/she has a school concern or problem, this should be addressed directly to the faculty or staff member involved. In severe situations, or if the situation is not resolved, the parent should consult with the principal.

Personal Items: Toys, electronic games, pagers, cell phones, lasers, iPods/MP3 players, any other items which will interfere with learning or are a safety hazard should not be brought to school unless teacher permission has been given for a specific activity. Absolutely no items are to be brought to school that resemble or could be used as a weapon. (See Safe School Policy.)

Rules

Be Respectful. Be Responsible. Be Safe.

Student Placement in Classes: Student placement is based upon creating the best learning environments possible for all students. Grouping them for

non-educational reasons would defeat this purpose. Therefore, teacher requests will not be accepted. However, if your student has a unique educational need or circumstance that would affect his or her learning and you would like us to take that into consideration, during the month of March you will be given the opportunity to write a letter to express your educational concerns and any past educational history of your student.

Telephone Use: The school office phone should not be used by students except in an emergency. Students must get permission and a pass from their teachers to use the phone. Personal plans should be made prior to leaving home or after returning home. Students are discouraged from bringing cell phones to school. If however, you choose to have your student carry one, a permission form must be filled out and turned in to the office. Cell phones are NOT to be used during school hours. Any calls made by students from their personal phone should follow the above procedure.

Transportation to and from school:

Pedestrian Safety-

1. Use sidewalks, paths and crosswalks.
2. Follow directions of crossing guard.
3. Bikes should be pushed, not ridden, on the sidewalks until the student is off campus and the number of walking students is low enough that the bike can be safely ridden.

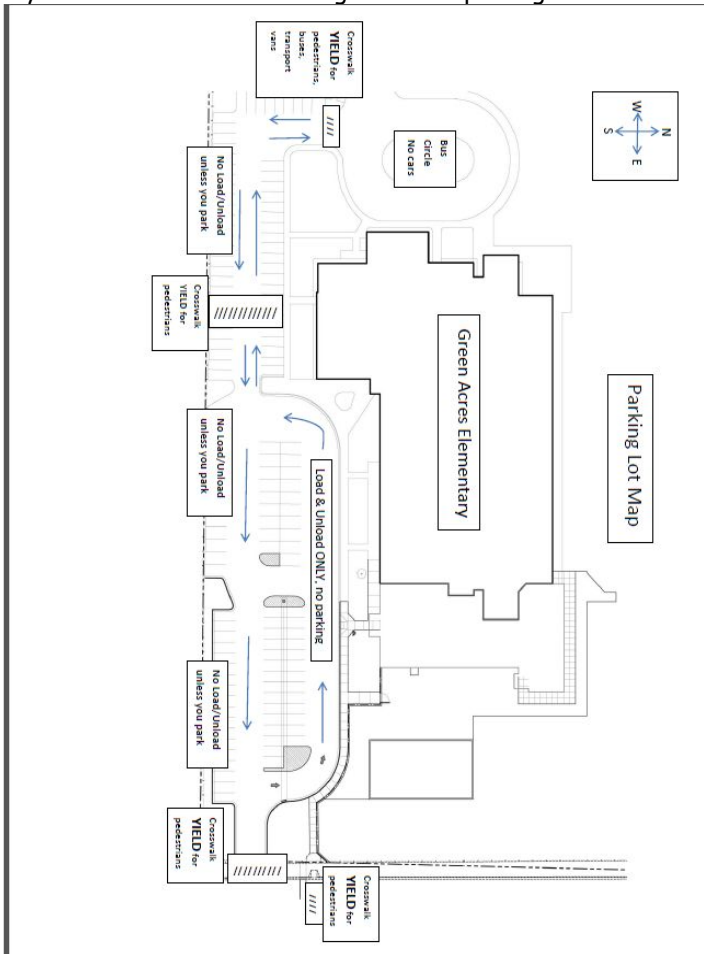

Picking up and dropping off your students-

1. Students may be dropped off or picked up in the south parking lot of the school. Students may not be dropped off or picked up in the designated bus area. Parents are prohibited from driving in the bus circle. Please see parking lot map.
2. Do not leave your car unattended at the curb in front of the school. This is a fire lane. If you need to enter the school, please use one of the parking spaces. Do not block exits, entrances, or the paths of pedestrians or buses.
3. Watch your speed- slow down. Take special care near crosswalks- always yield to the pedestrians.
4. Please turn off your engine.

For the safety of our children, ALL must abide by these rules- they apply to every person, every time. Thank you for your understanding, and for your commitment to keep our students safe.

Busing Guidelines-

1. Only regularly scheduled bus students may ride the school bus. This is a district transportation rule.
2. Student must ride their assigned bus and get off and on the bus at their assigned stops.
3. Misbehavior while waiting for the bus at the bus stop, or while on the bus, may result in the student losing their bus privileges.

Visitors: Parents are welcome and encouraged to visit and volunteer at our school. If you are interested in becoming a school volunteer, please contact the PTA officers, the teacher, or the school. Student visitors are not allowed to come to school while school is in session. For the safety of all students, all visitors and volunteers must check in at the office for a visitor's pass.
